MNT^{e}SIG Live 2023!
at SemiCon West
July 11 – July 13

MNT-EC (Micro Nano Technology Education Center) is supporting the MNT^{e}SIG Live 2023! event to take place in the Workforce Pavillion, Moscone Center, San Francisco. There will be a booth to pitch to industry our NSF center and sponsored faculty are expected to attend all three days, attend presentations, man the booth and engage industry folks to evangelize our great work.
