Call for Presentations and Posters

@HI-TEC, July 23, 2019

Mission: The Micro Nano Tech education Special Interest Group (MNTeSIG) is a community of practice - this is YOUR group. We share a common interest to continuously improve the education in Micro Nano Technologies throughout the year, sharing and leveraging each others' accomplishments and competencies.

The MNTeSIG event is on **July 23, 2019 from 8:30 AM - 4:30 PM** at the [High Impact Technology Exchange Conference \(HI-TEC\)](#) in St. Louis, MO.

Find out more at <https://www.mntesig.net/> and learn more about opportunities for Fellowship support.

Presentation Opportunities - **Submission Deadline is April 30, 2019**
Notification by May 10

**** 7 Minute Lightning Round Presentations ****

The MNTeSIG is accepting proposals for short 7 min lightning round presentations focusing on Micro Nano educational themes including:

- How to best grow the MNTeSIG Community of Practice
- New educational materials and resources

- Innovative teaching methods
- Industry & workforce trends and opportunities
- Grant funding and program support ideas
- Student impact and recruiting

Format - 7 minute pitches summarizing your contribution to the MNT community. These pitches will be grouped into panels of 5-6 speakers by topic with 10 minutes of open discussion.

**** Posters ****

Posters on current or past research and projects. Student are also encouraged to submit.

Submission*

[Click here to submit your proposal through the MNTeSIG proposal form.](#)

or find more details on the
[MNTeSIG website](#)

You will need to provide:

- Title, Co-Author information
- 100 word (maximum) abstract
- Impact information you can share including how this has and will impact students

Accepted submissions will be asked to provide a one page handout advertising your contribution to the MNT community. This will become part of the MNTeSIG Asset Book which will be published and distributed.

- Contribution overview
- Contact information, website links

Direct questions to Mike Lesiecki, mlesiecki@gmail.com

Thank you!
