Mentor-Connect.org

Mentor-connect@fdtc.edu

- One-on-one mentoring and technical assistance available for 2-year college STEM faculty seeking ATE grants
- Includes webinars, online resources and continued support through the funding process
- Cost-free services for all
- Stipends and travel support if new to ATE

Mentor-Connect Services

New-To-ATE Mentoring
for Colleges or STEM faculty
seeking a first grant

Second-Chance Mentoring
for reworking a declined
proposal for resubmission

Moving-Up Mentoring
for grantees seeking a
second, larger grant

Co-Mentoring: A collaboration with a discipline-focused ATE Center. Co-mentoring allows a prospective grantee to benefit from both the technical and discipline expertise of an ATE Center AND grant-writing expertise from Mentor-Connect.

Advanced Technology Education (ATE) is the National Science Foundation (NSF) program that supports technician education year colleges.

This material is based on work supported by the National Science Foundation under grant number DUE #1840856. Any opinions, findings, conclusions or recommendations expressed in this material are those of the author and do not necessarily reflect the views of the National Science Foundation.
